- ✓ Focused on growthful change
- ✓ Understands the Middleware space. Software & Hardware solutions aren't sufficient. **You must create new digital workflows of value**

EVERNOTE

Evernote is the *closest* thing to a single bullet solution to being more effective today. It lets you:

- ✓ single, unified Cloud repository for capturing, storing, tracking and sharing virtually any piece of information relating to your life or business
- ✓ instantly call up meeting notes, product details, tasks, research, memos, ideas the moment they are needed
- ✓ search for text inside handwritten notes, PDF's & Microsoft documents
- ✓ manage documents at the source
- ✓ scan & search receipts
- ✓ save time with templates & checklists
- ✓ share notes with internal & external contacts
- ✓ Evernote's power & flexibility make it an essential enabling tool for any business or individual today
- ✓ <https://evernote.com>
